

SOLUTIONS FOR AGV CASTOR AND WHEEL

DURABLE, CUSTOMIZABLE, RELIABLE

THE GLOBAL LEADER IN CASTORS AND WHEELS

- The global leader in castors and most complete product offering in the world
- One-stop shopping for any application and budget
- The most experienced engineering, sales, manufacturing, and quality teams
- Local service worldwide, ready for any business needs

MANUFACTURING

With advanced manufacturing and distribution facilities located around the world, we continuously invest in our proprietary castor product series to provide customers with the highest quality products and services.

ENGINEERING

Utilising the latest technologies, Colson Group design and engineering teams ensure every detail in product performance, materials, and aesthetics are delivered to meet and exceed industry and customer expectations.

SERVICE

Delivering truly one-stop shopping, our experienced inside and outside support teams help customers identify the right castor from our leading product portfolio to ensure your expectations and business requirements are met on every order.

QUALITY

As an active ICWM member, we help define industry testing standards (ISO9001:2015 ANSI ICWM: 2012, EN12532). Leading test labs and global quality systems confirm our castors meet stringent quality standards, allowing up to a 3-year standard warranty on select series.

ACCREDITATION AND AFFILIATES

National Sanitation
Foundation for Food Service

Consult factory for accreditation and affiliated organization requirements on a part-specific basis.

EXPERTS IN AGV CASTOR SOLUTIONS

Capacity up to **3500 kg**

Complete Product Range

We offer a full AGV castor and wheel lineup with load capacities ranging from **50 kg to 3500 kg**, suitable for light-duty to heavy-duty AGV and AMR applications.

- /// Excellent Durability & Long Service Life
- /// Low Rolling Resistance & Energy Efficiency
- /// Flexible Customization Capability
- /// Global Application Experience

THE MOST TRUSTED SOLUTION IN THE WORLD

ColsonGroupAPAC.com

AGV CASTOR

Capacity up to **3500 kg**

Features

Heavy-Duty Reinforced Frame and Base Plate

Provides excellent resistance to load, pressure, and abrasion.

Differential Dual-Wheel System

Allows flexible zero-radius turning with improved maneuverability.

High-Performance Polyurethane Wheels

Built to provide long-lasting durability, quiet operation, and reduced motor stress for enhanced AGV performance.

Customise AGV Drive Wheels

Fully customise drive wheels designed to match customer motor configurations, load requirements, and specific applications.

Customise Options

- Wheel Size (Diameter & Tread Width)
- Wheel Hub Structure & Drive Interface
- Tread Profile & Surface Design
- Hub Material Options
- Tread Material Selection
- Appearance & Surface Finish

Engineered to Fit Your AGV System Perfectly

Provide fully customise drive wheels designed to meet the mechanical, performance, and aesthetic needs of AGV and AMR manufacturers.

TYPICAL APPLICATIONS

Automotive Industry

A PARTNER YOU CAN RELY ON

Dependable Supply

With 42 facilities in 14 countries around the world, Colson Group has the robust supply chain to be able to meet your needs.

ROHS Compliant

Our products are manufactured without harmful or hazardous materials to protect the public health and the environment.

Proven Performance

Products are manufactured in controlled environments. We have systems and procedures in place to ensure our high standards are maintained.
